Thank you

Maryhurst relies on the generosity of various foundations, businesses and individuals in our community to help us meet our children's needs. Each year, we must raise nearly \$2 million in private funds to ensure our children are getting the very best of care. We offer our sincerest appreciation and heartfelt thanks.

Outcomes

- Maryhurst is the only agency in Kentucky to serve the most traumatized girls who meet a specialized services criteria established by the Cabinet for Health and Family Services. Within this fiscal year, 72 youth meeting these criteria were cared for by Maryhurst programs.
- According to the Children's Review program, 80% of the youth who successfully completed the campus-based residential treatment program were placed four months later in a less-restrictive setting such as their home, a foster or adoptive home, or an independent living setting.
- For those who were discharged from Maryhurst, 86% achieved their treatment goals.

New in 2014: Maryhurst Counseling Services

As a recipient of the Kentucky Kids Recovery Grant for nearly \$1 million dollars, Maryhurst expanded its outpatient services. “This reflects Maryhurst’s mission of serving those in greatest need and provides the opportunity to bring these services to families within their homes and communities such as Shively in southwest Louisville, Portland in west Louisville, and surrounding counties,” states Judy Lambeth, Maryhurst President and CEO.

Locations in Portland (The Rose Center), Shively, and the east end provide outpatient counseling and in-home services for clients and their families. Services are individually tailored and a strength-based approach is utilized throughout the treatment planning process.

Outpatient clinics are housed in the Portland neighborhood through collaboration with Portland Avenue Presbyterian Church, as well as in Southwest Louisville through collaboration with Family and Children’s Place. Residential Treatment is provided for adolescent girls utilizing existing space at the Maryhurst campus in eastern Jefferson County. Families in surrounding counties can be served through all locations.
